Mount Clear Primary School acknowledges the Traditional Custodians of this land, the Wada-wurrung people.

We pay our respects to their ancestors and elders past, present and emerging.

We acknowledge their histories, connections to the land and continuous living cultures.

As we learn and grow, may we show respect to the knowledge embedded within the Aboriginal custodians of Country.

Dear Parents/Caregivers,

DIVISION CROSS COUNTRY

On Friday we had two Year 6 students compete in the Divisional Cross Country event at Ballarat High School. We would like to congratulate Logan L and Beau F for making it this far and trying their personal best. Unfortunately, Nate F qualified for the event but couldn't compete due to an injury.

WALK SAFELY TO SCHOOL DAY

On Friday the 20th of May we participated in National Walk Safely to School Day. The staff and I met students and families at the Mount Clear Reserve, then walked back to school in the Autumn sunshine. It is important for children and adults to have regularly daily exercise. It was a fantastic way to start the day.

EDUCATION WEEK – CELEBRATING 150 YEARS IN PUBLIC EDUCATION

This week we are celebrating Education Week. This year marks 150 years of public education in Victoria. To acknowledge Education Week, we have a number of events planned.

Book Fair: Monday 23rd – Friday 27th May : The library will be open before school from 8.40 to 8.55am and after school from 3.20pm until 4pm for parents to purchase books.

Simultaneous Story Time: On Wednesday at 11:00am, we are participating in the National Simultaneous Story time. I will be reading the book, 'Family Tree' to the whole school via Webex.

Open Afternoon: We are inviting family members in on Friday 27th at 12:50 – 1:50 to join in an activity with their child/ren. Students will be placed into their family groups. There will be a list posted at the front office as to where your child/ren will be.

CYBER SAFETY

The internet and access to technology can be wonderful for our children, but online access also comes with risks. As a father of young children, it is a challenging time to stay on top of what access they have and what they are using the technology for. It is important, as parents, to know what our children are using and watching on their devices and this is becoming harder the older our children get.

I have attached a number of links to websites that provide information that support families around online use.

STUDENT FREE DAY – TUESDAY 14TH JUNE

We have a school council approved student free day on Tuesday 14th June. Students will not be required to attend school on this day. Staff will use the day to plan for term 3 and plan their PLC Inquiry Cycle.

CHALLENGE PARTNER

I have been asked to be a challenge partner for Meredith Primary Schools review. I am looking forward to the experience of supporting another school to develop their next strategic plan. I will be required to attend Meredith PS a number of times over the remainder of the term.

PRINCIPAL'S CONFERENCE – MELBOURNE

Next week I will be attending the Principal's Conference in Melbourne. This will be the first opportunity for Principals to attend the face to face conference in two years. The conference is a fantastic way to learn from other schools and worldwide educational leaders. Dr Murrell, Mrs Nash and Mr Cooper will be attending aspects of the conference online. I look forward to sharing my highlights in the next newsletter.

RAPID ANTIGEN TESTS – TERM 2

Schools will continue to be provided with the same weekly quantity of rapid antigen tests (RATs).

However, from Monday 23 May 2022, it is recommended RATs are used by students and staff when symptomatic. RATs are also required to be used for 5 days if a student or staff member is a close contact of a confirmed case and they are attending or working at a school.

From that time, it will no longer be recommended that non-symptomatic students or staff conduct tests with RATs twice a week in mainstream schools, (or 5 days a week in specialist schools).

Students and staff must continue to notify the Department of Health and their school if they return a positive RAT result.

Vaccination remains the best way to protect students and staff in school settings and your ongoing support in encouraging children aged 5 to 11 to get vaccinated and staff and 16 to 17-year-olds to get their third dose remains critical.
