

ABOUT US

Mount Clear Primary School prides itself on providing a safe, caring and happy environment where we value positive relationships (Respect and Honesty), support and understanding of each other (Care), and have high expectations (Personal Best). We provide our students with a learning program that emphasises English and Maths, along with the use of ICT, which complements our teaching and learning.

Mount Clear Primary School acknowledges the Wada-wurrung people as the traditional custodians of the land upon which our school sits. We pay our respects to all Aboriginal people, their culture and their elders: past, present, future and emerging.

Mount Clear Primary School Transition 2022

TRANSITION

We would like to invite our current and new families, who are considering Mount Clear Primary School for their child in 2022, to attend our school tours and information night. Unfortunately, due to the current COVID 19 restrictions, this will be held online through Webex on **Wednesday 8th of September at 6:00 pm via the below link.**

We are unable to facilitate our usual transitional visits within our school this term. We are hoping to be able to welcome you into the school in Term 4. Please register your expression of interest to the school, so we can forward you information on our future transition days as restrictions ease.

By attending these transition sessions, you will have the opportunity to get to know our school and teachers. Your child will begin to develop important relationships with peers, teachers and the learning environment. These sessions lay the foundations for a successful transition into school life in 2022.

In the meantime, please go to the website below for a virtual tour of our school.
