Mount Clear Primary School acknowledges the Traditional Custodians of this land, the Wada-wurrung people.

We pay our respects to their ancestors and elders past, present and emerging.

We acknowledge their histories, connections to the land and continuous living cultures.

As we learn and grow, may we show respect to the knowledge embedded within the Aboriginal custodians of Country.

PRINCIPALS REPORT

Welcome Back

The Easter Holidays came at a fantastic time and we were very fortunate to have lovely weather over the Easter period. It was nearly better than summer! We hope you all had an enjoyable break and recharged the batteries for another exciting term of learning and discovery.

Ride 2 School Day

We had a large group of students, staff members and some parents join our Ride 2 School morning. We are very fortunate to live in an area that provides excellent facilities for active travel to and from school. We also had a high percentage of students bring bikes and scooters to school to participate in the activities that were run by our student leaders. Well done to our Year 6 leaders on providing fun and enjoyable activities.

District Athletics

We had 39 students represent the school at the District Athletics carnival at Llanberris. Our students all tried their personal best and achieved some good personal results. Thanks to Mr Kitchen, Mr Banwell and Amber for supporting our students on the day.

Cross Country Event

A big congratulations to all the students that competed in the Cross-Country event. It is a big achievement to run long distances. It was great to see many students achieve personal best results and running for the whole race. Congratulations to Yellow House who were the eventual winners on the day.

Easter Raffle

We are very grateful for all the families that donated prizes to our Easter Raffle. The money raised will support many areas in the school. Our Parent Fundraising Group is working extremely hard to raise significant funds for our students. Thanks to all the work that goes into organising the raffle. If you are interested in supporting the group, please contact the office for more information.

Term 2

We have numerous exciting activities and events planned this term. Our Year 5/6 students are currently on camp in Melbourne. The students caught the train down on Monday and are returning by train on Wednesday.

Assembly

- Our Term 2 assemblies will be held every second Friday. We will have our first assembly for the term on this Friday.

Attendance

- Attending school every day is so important to the learning and wellbeing of a child, however, we know that there are times that children need to be absent from school. If your child is absent from school, it is extremely important to put the absence on Compass. We have several students who have unexplained absences during term 1. We are sending letters to all these families for them to explain the reasons why they were absent. Please return the note back to school as soon as possible.

The Resilience Project – Parent / Carer Hub

- The Resilience Project is a key initiative we are implementing to support the mental health of our students. The key principles of Gratitude, Empathy, Mindfulness and Emotional Literacy is taught from Foundation to Year 6.
- There are amazing resources for our families to understand the approach and to support your family.
